

Read and understand these instructions before installing luminaire. This luminaire is intended for installation in accordance with the National Electrical Code and local regulations. To assure full compliance with local codes and regulations, check with your local electrical inspector before installation. To prevent electric shock, turn off electricity at main power supply before proceeding. Retain these instructions for maintenance reference.

Vyv is not responsible for any injuries due to the improper installation or handling of its products.

NOTE: Fixtures must never be lifted from sides or ends, lift fixtures only by cradling in arms until they are supported uniformly by mounting system.

Installation Instructions

FLANGELESS MOUNT:

1. Remove reflector.
2. Bring mounting yokes up through opening in ceiling, positioning "feet" of yoke along top surface of installed ceiling.
3. Lift fixture up into rough cut ceiling opening, positioning fixture below mounting yokes.
4. Using the hardware provided, (3" screw and washer) anchor the fixture to the mounting yokes.
5. Level the fixture so that fixture flanges are flush with the ceiling.
6. Bring power to the fixture and complete wiring.
7. Mud up to fixture to cover the small flange.
8. Replace reflector.
9. Install diffuser.
