

Read and understand these instructions before installing luminaire. This luminaire is intended for installation in accordance with the National Electrical Code and local regulations. To assure full compliance with local codes and regulations, check with your local electrical inspector before installation. To prevent electric shock, turn off electricity at main power supply before proceeding. Retain these instructions for maintenance reference.

Vyv is not responsible for any injuries due to the improper installation or handling of its products.

NOTE: Fixtures must never be lifted from sides or ends, lift fixtures only by cradling in arms until they are supported uniformly by mounting system.

Installation Instructions

WALL MOUNT:

1. Mount 2 screws 1/4" size, 4" apart at appropriate locations.
2. Feed power through threaded stem in center of bracket, if necessary.
3. Mount bracket on installed hardware using keyhole slots on the back of the bracket.

NOTE: Do not mount wall mounting bracket directly to J-box.

4. Bring stem through fixture and secure with hardware provided.
5. Repeat steps 1 thru 4 at all remaining mounting locations.
